Certificate -

This certificate is redeemable for a reservation form, entitling you to receive a complimentary companion airfare with purchase of a qualifying airfare through a fulfillment travel center. **The minimum available published airfare must meet with the Minimum Fare Requirement schedule published online at [www.airfaresavingsforyou.com](http://www.airfaresavingsforyou.com).** The minimum fares stated on that website are base fares. Base fare is defined as the cost of travel excluding all applicable taxes and fees, including the U.S. Transportation tax, airport facility charges, security fees and fuel surcharges. Applicable taxes and fees apply to both the purchased full fare and complimentary companion ticket. Coach and first class tickets are available for travel within the Continental United States, Canada, Mexico, Caribbean, Hawaii and International destinations. Some restrictions may apply.

Published rates that are below the Minimum Fare Requirements do not qualify for this offer. One of the travelers must be at least 21 years of age at the time of booking. Both travelers must have proper identification available at airport check-in. Internet specials are not valid. Reservation requirements apply to both tickets and include; itineraries must be identical, minimum 21 days advance purchase, roundtrip tickets only, Saturday night stay required and a maximum stay of 30 days. Some destinations may require a Friday overnight stay. The fulfillment travel center will determine the airline and routing from the airport closest to your gateway city. Flight selection is based on availability of specific classes of service at the time of reservation. Flights may be difficult or impossible to obtain during major holiday periods. A \$9.95 ticketing fee applies to all tickets issued and all reservations are electronically ticketed. You will receive your Companion Airfare reservation form within 1-2 weeks.
